Spring Sing 81

The theme of this years Spring Sing was, "North, South, East and West" The show was incredible and each class did a superb job

The freshmen featured an international doll shop and sang songs from the East

The sophomore's hero and heroines won a golden ticket to the Caribbean

The juniors followed the dreams of an English flower girl and sang songs from the West

Lastly the seniors had three hobos talking about where they are going to go in the U.S. and Canada

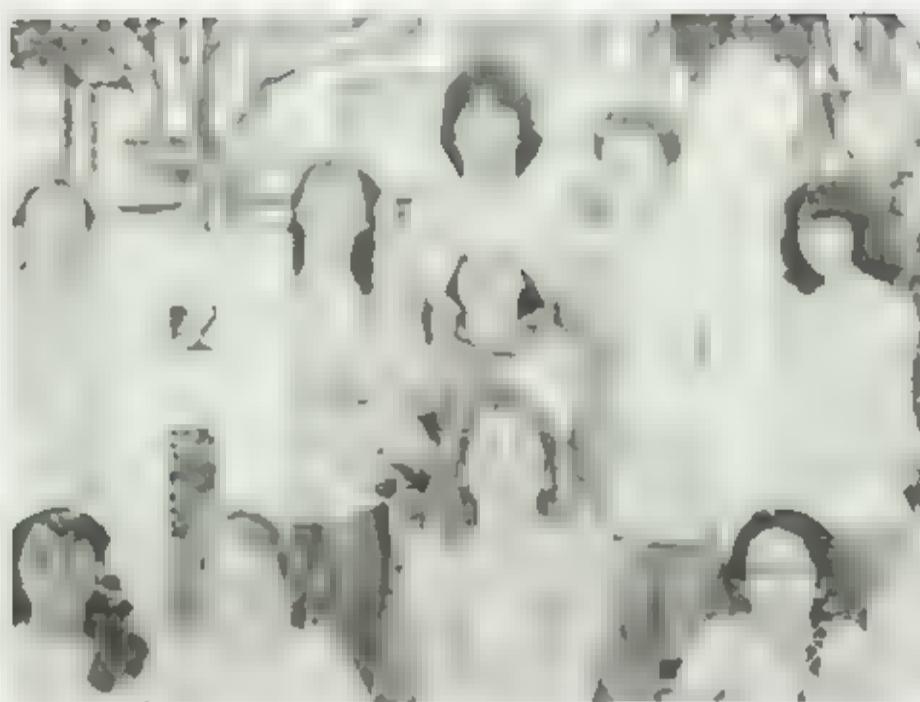

The sophomores came in first followed by the seniors. The juniors were third followed by the freshman

all classes should be very proud of an outstanding show for 1981!
